

Live Action Target Tiles

Problem

Steel Targets (AR500)

- Steel targets prohibited in increasing number of regular and tactical shooting ranges
- Shrapnel impacts with shooter
- Expensive
- Noise

Solution

**Live Action
Rubber Target Tiles**

- No Shrapnel, Range Safe
- Close Pistol Shooting
- 1/4 the cost of steel
- Weatherable
- No Noise for Correct Tactical Shooting
- Colored Tiles for Tactical Situations
- Offset colors for hostage situations etc.

**“Safer, Quieter,
Less Expensive”**

Retail Pricing

Steel \$30-50 Each

Virgin Rubber \$20-30 Each

Target Tiles less than \$10
